

Streamline Your Files with Transaction Management from Agent Operations: Listing Management, also known as Listing Launch

At Agent Operations, our transaction management services focus on accurate, complete, and on-time preparation of the necessary paperwork and marketing for your listings. Listing Management serves as an extension of your listing protocol, bringing all of the details of a listing together and communicating superbly with all parties involved. We handle everything from start to finish. Yes, it's that easy! Please note: at this time, we are only serving transaction management needs in Central Texas.

- Affordable and fully-customizable programs for \$100 per transaction, paid at the time of order.
- We sit down with you to understand your style and listing processes. Then, we create your workflow from scratch to meet your needs.
- From there, you'll complete our Client Onboarding Form.
- Next, to place a Listing Management order, you'll simply fill out our handy online form or email us with the details of your upcoming listing.
- We take it from there! We coordinate paperwork, schedule photography, upload to MLS, write descriptions, add descriptions to photos, and so much more.
